Cont. to page 4 part 4 of Petition

My family and I experienced humiliation and embarrassment from friends, family members and neighbors.

My finances was not stable due to paying to stay with friends and family members, living in and out of hotels. My entire savings was invested into open a Beauty Salon helping friends and family members. My business failed due to improper working utilities.

I have missed family events for lack of resources and dealing with pain and mental anguish due to proceeding with the courts to recapture my home.

My family and I lived in a Save House for six months due to domestic violence which may have caused separation of my family members and possible incarnation for filing of false complaints.

Once my family and I exit the shelter I was given a voucher for housing for one year. My entire life was still locked away in a storage unit. I struggled to maintain payments late fees added continuously and as of December 18, 2013 my storage unit was auctioned. I lost my entire life as well as my business supplies and equipment. During that period of time for one year my family and I experienced harassment, verbal abuse. These actions lead to a physical confrontation and my state job for 21 years was terminated on May 19, 2014. The action caused my family and I further financial hardship.

Presently we are living in the south side of Newark I had to relocate due to events as a result of the physical confrontation. Our safety is @ state hearing gun shots during day, evening or night. This not my ideal of living being removed from a quiet neighborhood to an area where you are afraid to walk out the door. I resided in the location to try and save for a better locating as well as re-capture my home.

I experienced financial hardship and presently today have financial hardship. My children and I have been enduring pain and suffering, humiliation and embarrassment. I'm hoping to return my family and I back into our save home without losing any members.

The injuries I have sustained relating to the events and Illegal foreclosure was health issues. I have been under treatment for the heart. My body experienced a hormonal imbalance for which I had to receive treatment. I have been to counselling to stay focus, nights of stressing and tears trying to find peace reading my bible.

I declare under penalty of perjury that the foregoing is true and correct.
